BE A HERO FOR DOGS AND CATS!

How to Help Them

- **Never buy them from pet stores or breeders (instead, adopt from an animal shelter).**
- **Never leave them outside alone or chained up (they belong in the house with you!).**
- **Make sure they have plenty of love, clean water, food, toys, and a cozy place to sleep.**
 - **Give your dog lots of walks outside, and clean your cat's litterbox twice a day.**

SPRING IS IN THE AIR.

Treat animals with care!

Animals want to be in their natural habitat with their friends and family,
not in malls, photo shoots, Easter events, or classrooms.
